

WWW.SUGURULINES.COM

A *Sugurulines Puzzle* has a grid with numbers from 1 to 5. Draw lines to order them into groups. There are only 5 possible groups: (1), (1-2), (1-2-3), (1-2-3-4) and (1-2-3-4-5).

Each puzzle has only 1 solution. You'll have to use logic strategies to find it.
